

Checklist for Digital Connection

If you're community communicates digitally, here are the four essentials required for any communication with people under the age of 18:

Parent/Guardian Permission

If a child messages you or adds you on social media or gaming platforms, make sure to have a conversation with their parent/guardian **before responding**.

Two Appointed Leaders

If you're hosting an online gathering, streaming, or facilitating online games, **ensure that at least two appointed leaders** are present for oversight.

Require Parental Supervision

Parents/guardians should remain **physically present** with their child during any online activity to provide supervision.

Age Limits

It is important to be aware of and adhere to the **age restrictions** set by different digital platforms to ensure compliance and safety.

By following these guidelines, you can help create a safer online environment for young users.
